3. Approve the Agenda - motion to approve Murray Rice, seconded by Natia Rostomashvili. Carried

4. Board Presentation – Leona Messer (Chair), Tyson Gader (Member at Large), Alanna Coghill (Secretary)

- Leona gave presentation on the Board, responsibilities and what has been happening, what is going to be happening going forward
- Budget set
- Meetings with road contractors
- Policy making
- Garbage – costs, looking to reduce which means big bin will be gone at end of May, back in fall
- Roads – lots of negligence for years, repairs being made, doing due diligence and RM would tell us if we were not
- Contractors for Roads – 7 companies contacted, most unwilling to come to Hamlet. Decision to pave road was not easy, however when looking at wash out down to the dock/water it is well spent and more repairs have not been needed by doing a grader fix.

- Money to repair roads further is not available. Dust control will be done this year, however no new gravel will be coming
- What we have learnt about the Water Board - Hamlet of Parkview Water Users Inc is a joint entity with the Hamlet of Parkview Board of Directors, as well as the Parkview Water Users Board – there has been no one from the Board of Directors sitting on the Board, however this is changing
- Have paid out the Water Board more than the \$70,000 originally discussed, upwards of \$78,000 now
- Looking for material for the Water Users Inc, if anyone knows where documents can be located or who can be contacted the information would be appreciated

5. Hamlet Volunteers Presentation

- Volunteers within the Hamlet, what we need volunteers for
- Looking to become more self sustainable
- Call out for more volunteers
- Looking at bobcat instead of tractor – more work that can be done with bobcat within the Hamlet (explore ideas)
- Volunteers need training through the RM before being able to operate equipment in hamlet
- If your going to volunteer and commit to showing up, please show up

6. Q & A (30 minutes)

- Bobcat – sizes, what can it do for the Hamlet, attachments
- Fishing shacks, boats down in the tree line/shore line – can they be cleaned up – located documents (Lease Agreement), need to go the the RM to verify process as it is in their name

7. Board Resignation(s)

- Alanna Coghill has resigned from the Board, it has been acknowledged by the Board. Looking for an interim board member to get us to the AGM.
