

Hamlet of Parkview Board of Directors Meeting

Saturday February 22, 2025

Messer garage

Meeting called to order at 1:30pm by chair.

Attendance : Leona Messer, Ron Ackerman, Lynne Guick

The board met in camera to discuss a resident(s) request to have their email removed from communication and to have their communication sent through the RM. The following are the actions taken by the board: On February 19, 2025, the chair removed the email address(es) pertaining to the said resident(s). Said residents(s) will no longer receive correspondence from the hamlet email address directly or indirectly (sent on our behalf). Said residents(s) still have the option to follow the Hamlet Facebook page, access the minutes (located on the RM of Marquis website under the PARKVIEW tab), and to attend board meetings and the AGM as a means of staying informed.

Motions:

6/25 Motion by Leona that \$2000 be spent at Fountain Tire to cover additional expenses for tractor tires and repairs. Seconded by Ron. Carried.

7/25 Motion by Ron to purchase shoes for the snow blower as quoted from John Deere work order \$394.40. Seconded by Lynne. Carried.

Old Business

Crownland cleanup policy: the Board is working on it. This is a bigger project because of multiple ministries.

Crime Watch signs: Ordered and will receive later in the spring.

PARCS membership – paid and email address has been updated.

Post office box – review Dec/2025.

Map of Parkview: Lynne to check with Minuteman Press the cost to purchase electronic PDF that allows for editing.

New Business

Bylaws: The Board will request a meeting with RM to discuss bylaws that are conducive to the Hamlet of Parkview prior to bylaw(s) enforcements happening in the hamlet.

Policy Review: There were zero responses from residents to help with the policies. Board to work on as time allows.

SaskPower tree line assessment: Board chair will receive notification once assessment is completed. The chair will continue forwarding information on behalf of SaskPower.

PWUI: The Chair will follow up with the PWUB regarding rock placement rock as well as a work completion date that includes a reclamation plan for cleanup.

Maintenance repair contact for all hamlet equipment is 1st Ron Ackerman.

Hamlet Sander is broken.

Loraas

8/25 Motion by Ron for the removal of recycle bin until assured contents are being recycled. 2nd Leona. Carried.

Notice that the annual red bin will not be brought into the Hamlet. We will also be reducing the number of front load bins during the winter months. These are cost saving measures.

The Hamlet board is requesting the RM to order the Hamlet of Parkview 10 yards of gravel.

Budget

The 2025 budget was set and will be forwarded to the RM of Marquis for approval.

Adjourned 4:00pm
